Re: 2017-2018 FLEF Scholarship Program

The Federal Law Enforcement Foundation is pleased to announce the continuation of our special Scholarship Program to benefit qualified children of qualified, full time present employees of Federal Law Enforcement Agencies and supporting Law Enforcement Services, including state and local officers who are deputized to formal federal joint taskforces, based in New York, New Jersey, Connecticut and in certain other venues in which our Foundation is qualified, and the children of Federal Law Enforcement Agents who were killed or disabled in the line of duty, with special arrangements for Federal Law Enforcement families of September 11, 2001 victims. Any law enforcement employee claiming disability has to be certified and approved by the appropriate agency head for eligibility.

Applications for the 2017-2018 Scholarship Program will be considered up to July 31, 2017, the latest. Scholarships are for the 2017-2018 academic year beginning in September, and the winners will be announced in early October or sooner if possible.

Here are the details of the Program:

- Scholarship will be awarded to children of full time active employees presently in the service of Federal Law Enforcement Agencies, including local officers and supporting Law Enforcement Services who are deputized and assigned to formal joint task forces, or children of agents killed in the line of duty. The Program will be open only to such qualified persons as described who are assigned in the State of New York, New Jersey and Connecticut.
- Students must attend school **full time** to qualify for a scholarship.
- In addition to the above, funds for a special Chairman's Fund have been established for additional awards to special cases and exemplary applicants for graduate studies. These will be reviewed on a case-by-case submission.
- Each scholarship will be a one-time cash grant paid directly to the institution selected by the applicant and the family for tuition or for room and board and books. Tax consequences, if any, are the responsibility of the recipient. The applicant's parents or guardian must consent to the application and agree to accept any grant.

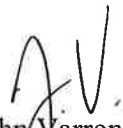

- All Applications should be sent directly to Mr. Anthony Bergamo, Chairman, Federal Law Enforcement Foundation, Inc. 335 Madison Avenue, 14th Floor, New York, NY 10017.
- To be eligible, completed applications must be received no later than July 31, 2017. (Application Attached)
- Selections for Scholarships will be based on many factors, including such items as SAT Scores, Scholarships achievement (eligibility minimum B+ or 3.5 average, above average community service, recommendations, and extracurricular activities). Weighing of items selection of specific winners will be at the sole discretion of our Scholarship Review Board of the Federal Law Enforcement Foundation, Inc.
- Only qualified individuals with the highest character, credentials and references will be considered. Each individual must maintain outstanding achievements during the college year in order to be considered for future grants and will be required to report their academic and other achievements to us at the end of each semester (approximately every six months). Every recipient of a scholarship must undertake to keep the Foundation informed of their accomplishments and Progress on an annual basis until one year after graduation from college and thereafter on a voluntary basis. Please be sure that all applicants clearly understand this requirement.
- The Federal Law Enforcement Foundation has established a Scholarship Review Board to select students to receive scholarships. The program will be administered by Mr. & Mrs. Jonathan Gyurko. Questions related to the Federal Law Enforcement Foundation Scholarship Program should be address to Mr. Anthony Bergamo at the address listed above, or by fax (212) 527-5653, Mrs. Ely Taveras (etaveras@milfordmgmt.com) (212) 527-8654 or Ms. Maricela Abreu (mabreu@milfordmgmt.com) (212)-527-8655.
- No material changes will be permitted once the Scholarship Application has been received, such as changing schools or courses of study or full-time status, etc. If there are any changes, it is the obligation of applicant to inform us **immediately**. If changes are made, the Foundation reserves the right to cancel the Scholarship. Any such changes must be approved by the Committee at the sole discretion of our Scholarship Review Board of the Federal Law Enforcement Foundation, Inc.

The Federal Law Enforcement Foundation was created in 1988 to assist and be an additional “safety net” for families of Federal Law Enforcement Agencies injured or killed in the line of duty, as well as those suffering from serious illness, and has been expanded to include officers and agents and killed or disabled as a result of the 9/11 World Trade Center Tragedy and supporting Law Enforcement Agencies. In addition, over the years, the Foundation has helped subsidize special support educational, informational and award programs assisting a wide variety of important organizations aimed primarily at helping the youth of America.
